Celebrate Recovery

Welcome

Welcome !

The purpose of Cross Creek Community Church's Celebrate Recovery is to fellowship and celebrate God's healing power in our lives through the 8 Recovery Principles found in the Beatitudes and Christ-centered 12 Steps. This experience allows us to be changed. We open the door by sharing our experiences, strengths and hopes with one another. In addition, we become willing to accept God's grace in solving our life problems.

By working the Christ-centered steps and applying their biblical principles found in the Beatitudes, we begin to grow spiritually. We become free from our addictive, compulsive and dysfunctional behaviors. This freedom creates peace, serenity, joy and most importantly, a stronger personal relationship with God and others.

As we progress through the principles and the steps, we discover our personal, loving and forgiving Higher Power - **Jesus Christ**.

The goal of Celebrate Recovery at Cross Creek is to introduce hurting people to the healing power of Jesus Christ. We minister to those who have any type of hurt, habit or hang-up such as issues with drugs, alcohol, gambling, sexual addiction, pornography, over-eating, anorexia, divorce, loss of a loved one, marital problems, adultery, depression, anxiety, bi-polar, suicidal tendencies, or any other issue that interferes with our relationship with God and others.

Celebrate Recovery is filled with people who have been in your shoes. We are a recovery program which will help you build a foundation in order to help you recover and live a fulfilling life of service to our creator and others instead of remaining stuck in our compulsive and destructive behaviors. If you struggle in these areas mentioned above and are looking to free yourself from the hurts, habits and hang-ups, search no more.

We meet Tuesday nights at 6:30PM for a large group consisting of a lesson or a testimony and then break down to small step groups where we learn how to apply the steps and biblical principals to our lives. After all we are just 12 steps and a decision away from freedom...
